0 public rooms.

Building site with planning permission and immediate build start

The current owners have obtained planning for erection of a three bedroom detached dwellinghouse with two public rooms (APP/2018/0732).

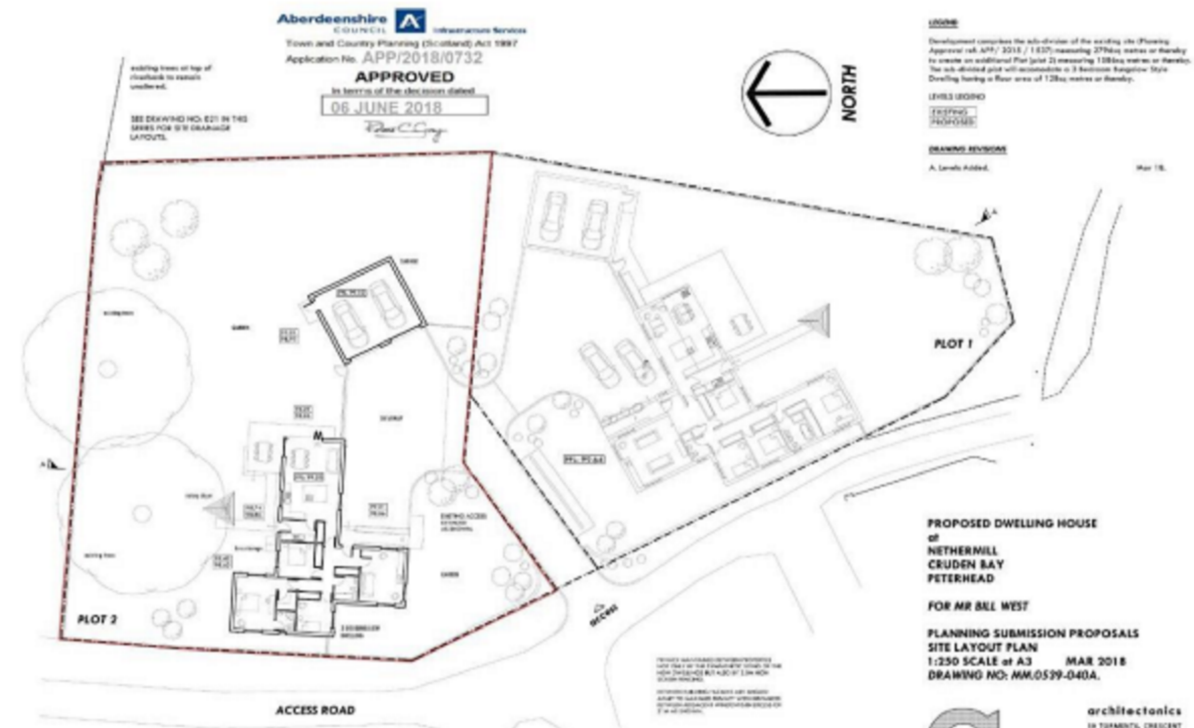

The plans show the potential that this fantastic new residential property will have and not only do the sites benefit from full planning consent but both offer an immediate build start with building warrant consent also being in place.

The full planning documentation may be viewed online: www.aberdeenshire.gov.uk/planning

It is understood that mains water, electricity and telephone line are close to the site. Drainage would be to a septic tank. It would be the responsibility of any prospective purchaser to satisfy themselves regarding connection to the services and costs involved.

Water of Cruden

Accommodation and plans

Directions

From Cruden Bay turn onto Golf Road and travel along for a few hundred meters until reaching the hamlet of Nethermill. Take the next road on the left over the bridge crossing the Water of Cruden finding the sites located further up on the left hand side.

Location

Enjoying a superb rural location only a few minutes' drive from the popular coastal village of Cruden Bay, these building plots offer an excellent development opportunity and have views over the Buchan countryside.
